

Important Notification

Dubai Financial Market (DFM) urges investors to be vigilant about all fund-raising activities for investment purposes as some entities are not authorized by any regulatory or supervisory authority and thus are at risk of committing fraud, deception or any other unlawful activity. Moreover, investors should ensure that the entity that claims its ability to invest in/trade on DFM is licensed by the UAE Securities and Commodities Authority (SCA) and the Dubai Financial Market, noting no legal or regulatory protection exists for this type of investment. Dubai Financial Market (DFM) warns investors that the consequences of engaging in such types of activities are the sole responsibility of the investor and he/she is fully responsible for their decision in this regard, without any responsibility/liability held on Dubai Financial Market.
