

HOW TO TRADE AND SUBSCRIBE TO A RIGHTS ISSUE (RI)

TRADING OF RIGHTS PERIOD

How to Trade?

Shareholder of the Listed Company

1. Existing company shareholders can subscribe to the company's Capital Increase using their owned Rights which are allocated according to their shareholdings at the start of the trading period.
2. Existing company shareholders can also buy further Rights during the specified trading period in order to subscribe to the Capital Increase.

OR

Non-Shareholders of the Listed Company

1. Investors must buy the Rights during the specified trading period in order to subscribe in the Capital Increase shares during the specified subscription period
2. The investors can only subscribe in the Capital Increase using their Rights bought until the end of the specified subscription period

Now that you own Rights, you are eligible to subscribe in the Capital Increase shares

SUBSCRIPTION OF RIGHTS PERIOD

How to Subscribe?

Shareholder of the Listed Company

1. First, please ensure you have an active DFM Investor Number (NIN).
2. Subscribe in the Capital Increase by referring to the methods outlined in the Company's Rights Issue Prospectus. You can either make a payment online via iVESTOR Card or by debiting your Bank Account via UAE Central Bank Payment Gateway through DFM eServices (www.dfm.ae or [DFM Smart Services App](#)). Alternatively, subscribe through participating banks' channels.

NB: If an existing shareholder does not subscribe in the Capital Increase shares, this will result in the loss of the Rights owned and its value.
